

MSc International Health Management

In partnership with:

UNIVERSITÀ TELEMATICA
INTERNAZIONALE UNINETTUNO

MSc International Health Management

This programme will help you excel in the healthcare sector, broadening your understanding of the health management domain and giving you the skills to work in an international setting.

The MSc in International Health Management has been designed to provide students with the necessary knowledge and expertise to become managers and leaders within the health sector.

With a core focus on health management in a global and national context, the programme draws on emerging bodies of knowledge and up-to-date evidence to allow comparisons across different countries.

Key Facts

Duration: 18 months

Intakes: February, October

"I chose BSBI because the school is innovative — it has different techniques and different methods of teaching which I like."

Regez Rashdan, BSBI student

This programme consists of four terms – the modules will be taught across a period of three terms (10 weeks each) and the final term will allow you to work on your dissertation (12 weeks). The modules of this programme are offered via a blended learning method. Students attend the online modules via the UNINETTUNO University e-learning platform and the face-to-face modules at the BSBI campus in Berlin.

Modules

- Principles of Health Management (blended)
- Financial and Economic Management of Health Organisations (blended)
- Human Resources Management and Health Organisations
- Information Technology in Health Systems
- Decision Making, Planning and Leadership
- Anthropology and Sociology of Health and Medical Care (blended)
- National Health Systems and Health Policy (blended)
- Ethical, Cultural and Behavioural Aspects of Health (blended)
- Management of Health Organisations
- Socioeconomic Research in Health Services
- Leadership Development Programme (LSBF Executive Education)
- German Language Studies
- Dissertation (preparation and submission, face-to-face supervision)

Why study this course?

Students will:

- Understand a broad range of areas such as health management, leadership, research methods and much more
- Join an international community of students, scholars and health management professionals around the world
- Have the option to learn German for three hours a week
- Access the Virtual Learning Environment (VLE) which has a wealth of e-resources
- Expand your knowledge with textbooks, academic journals online lectures and much more
- Work with tutors and fellow students to discuss each topic and work on interactive projects
- Attend field trips, practical workshops and guest speaker events

Who should take this course?

This postgraduate degree has been designed with health professionals in mind and is suitable for any senior or mid-level manager who is responsible for a public or national health care system. Whether you are a doctor, physician, nurse or health practitioner, this is the course for you!

Career Progression

Upon completion of this programme, students will be qualified to work in the public or private healthcare sector, in the health industry and also in areas such as hospital management and health administration. Additionally, successful graduates will be eligible to progress in their academic studies with the BSBI Doctorate in Business Administration and its healthcare pathway.

The English proficiency test can be waived by the following candidates: **1.** English native speakers. **2.** Applicants having completed their education in English, such as a High School diploma or IB. **3.** Applicants having completed their undergraduate degree or any other degree in English.

Admissions Process

Applying to study with BSBI has never been easier! Here's how it works:

1. Create an account here: start.berlinsbi.com/login
2. Select the programme and intake you would like to apply for.
3. Complete all sections of the online application.
4. Submit your application.
5. Our admissions team will liaise with you with regards to the next steps.

Once you have been accepted, you need to apply for a German student visa as soon as possible. To do this, you must:

- Make an appointment with the German embassy in your country and complete an application form (the administrative fees for this are usually around €60)
- Ensure that you provide all the correct documents to avoid being refused entry into the country. Your visa confirmation will take on average two to three months, depending on your country.

It should be noted that the student visa or 'Visum zu Studienwecken' only lasts for three to six months. For more information about the visa requirements you need to study in Germany visit: berlinsbi.com/international-student-guide

Delivery: Blended learning (on-campus and online)

Fees: 7,000 (EU) | €11,800 (international)
