

A collective of leaders to transform the business world

The Impact MBA in Sustainability, Innovation, and Leadership is a remote program designed for professionals interested in sustainable business practices and making a positive impact on society. The program is divided into four phases and provides a strong foundation in business sustainability, as well as opportunities for customization with a range of specializations. The curriculum is designed for leaders to transform themselves, transform their teams, and the company. It's to support them in thinking beyond boundaries, imagining the future, making a difference, and contributing to solving complex societal challenges.

Mastery Learning, Accessible Anywhere

- 1 **A new form of learning:** Solo and group challenges help you apply your knowledge and master competencies
- 2 **Community:** Join a global network with seasoned leaders looking to accelerate their sustainable impact
- 3 **Flexibility:** Learn from anywhere at any time

Program Specs

CREDITS

60 ECTS or 90 ECTS

TUITION

€10.500-€14.850

INTAKE

October 2023

COHORT SIZE

Limited to 30

INTAKES

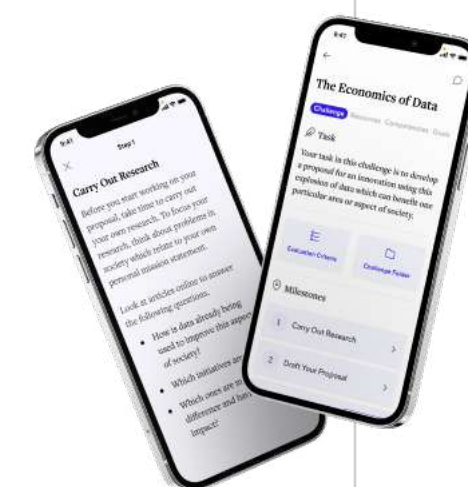

4 times per year

DURATION

12 - 18 months

The goal of the Impact MBA is to turn you into a lifelong learner. Our stackable degrees offer flexible lifelong learning opportunities and upskilling for:

- Professionals
- Future leaders
- Intrapreneurs
- Aspiring Entrepreneurs
- Career Switchers
- Restarters

The program is divided into four phases: Orientation, Calibration, Elevation, and Activation

The Orientation Phase consists of three introductory modules that prepare you for your leadership journey. (15 ECTS each)

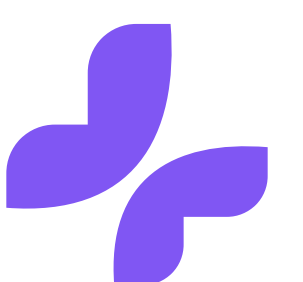

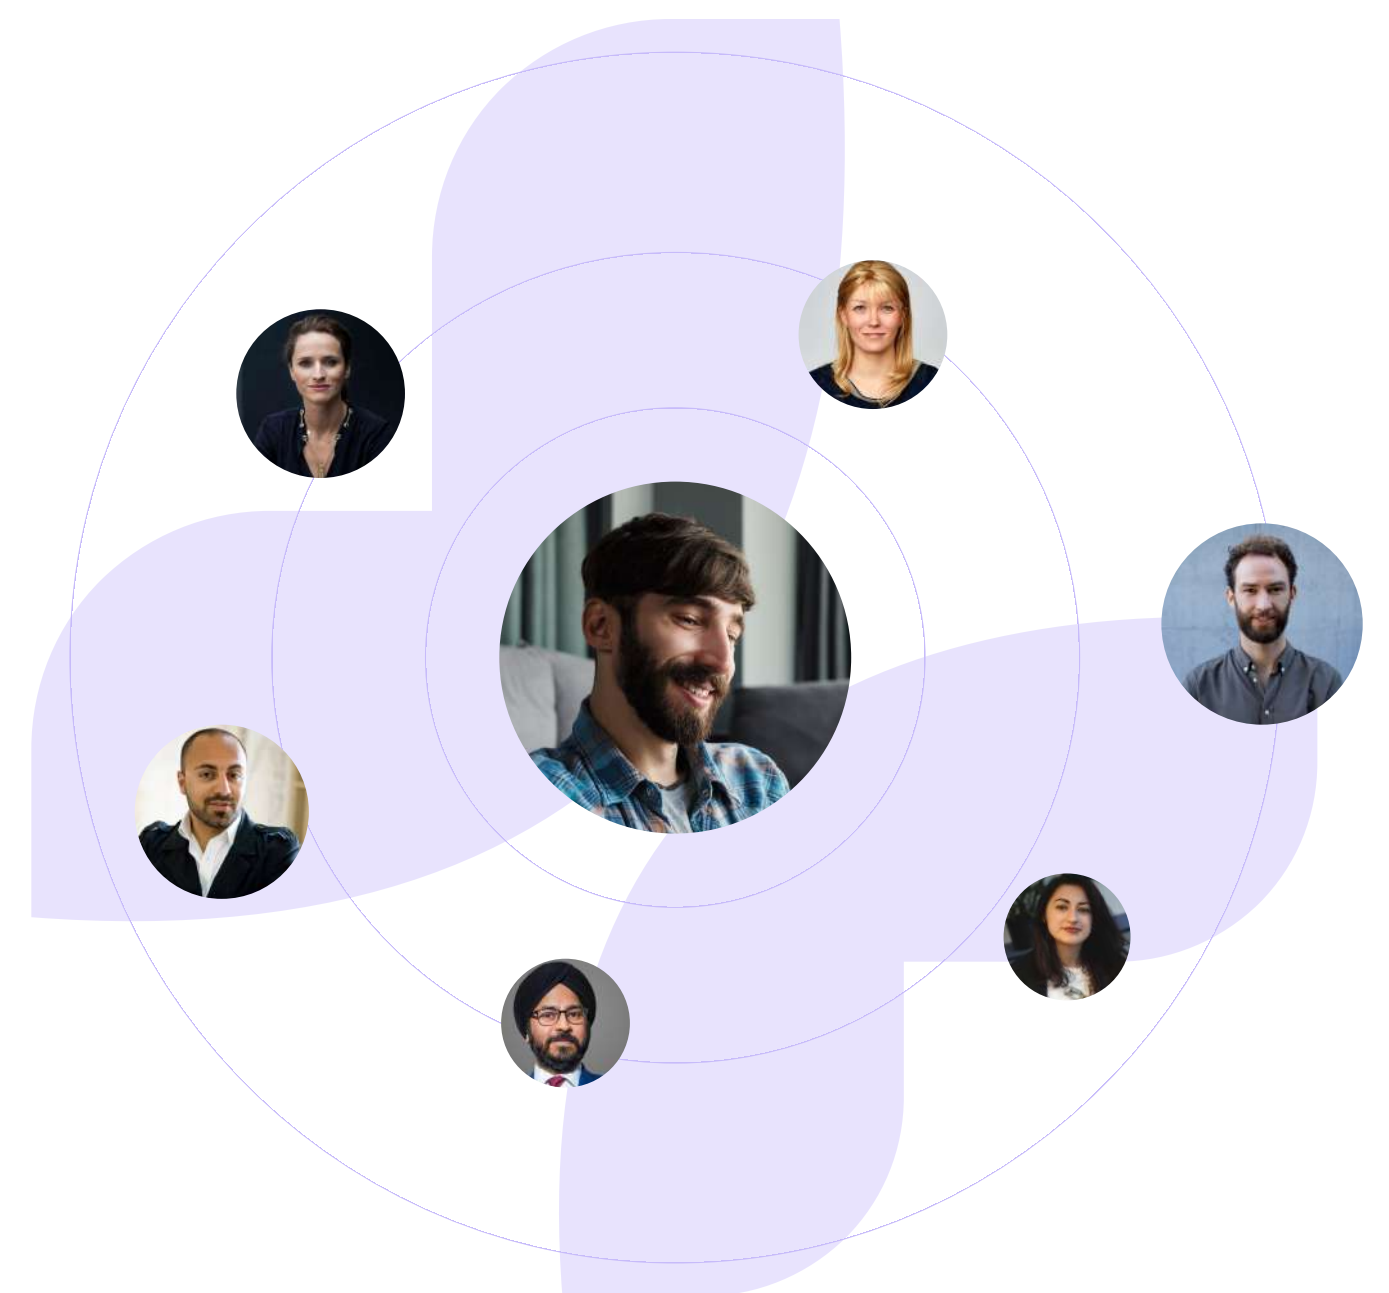

The Calibration Phase introduces you to relevant fields in modules, preparing them with the necessary competencies to enter the Elevation Phase. This phase is made up of Impact Certificates, which can be mixed and matched to achieve a specific career outcome. (10 ECTS each)

The Elevation Phase takes you deep into a specific topic with the single goal of creating solutions for the grand challenges in the 21st-century. (10 ECTS each)

The Leadership Lab and **Transformation Lab** focus on personal leadership development and transformation projects, respectively. In this phase, you'll acquire knowledge, skills, and competencies in general management and business acumen, analytical and critical thinking skills, effective executive communication, collaboration and cooperation skills, and responsible, inspirational, and ethical leadership. (15 ECTS each)

Become a leader who can think beyond boundaries, imagine the future, make a difference, and contribute to solving complex societal challenges.

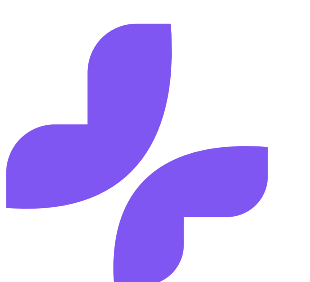

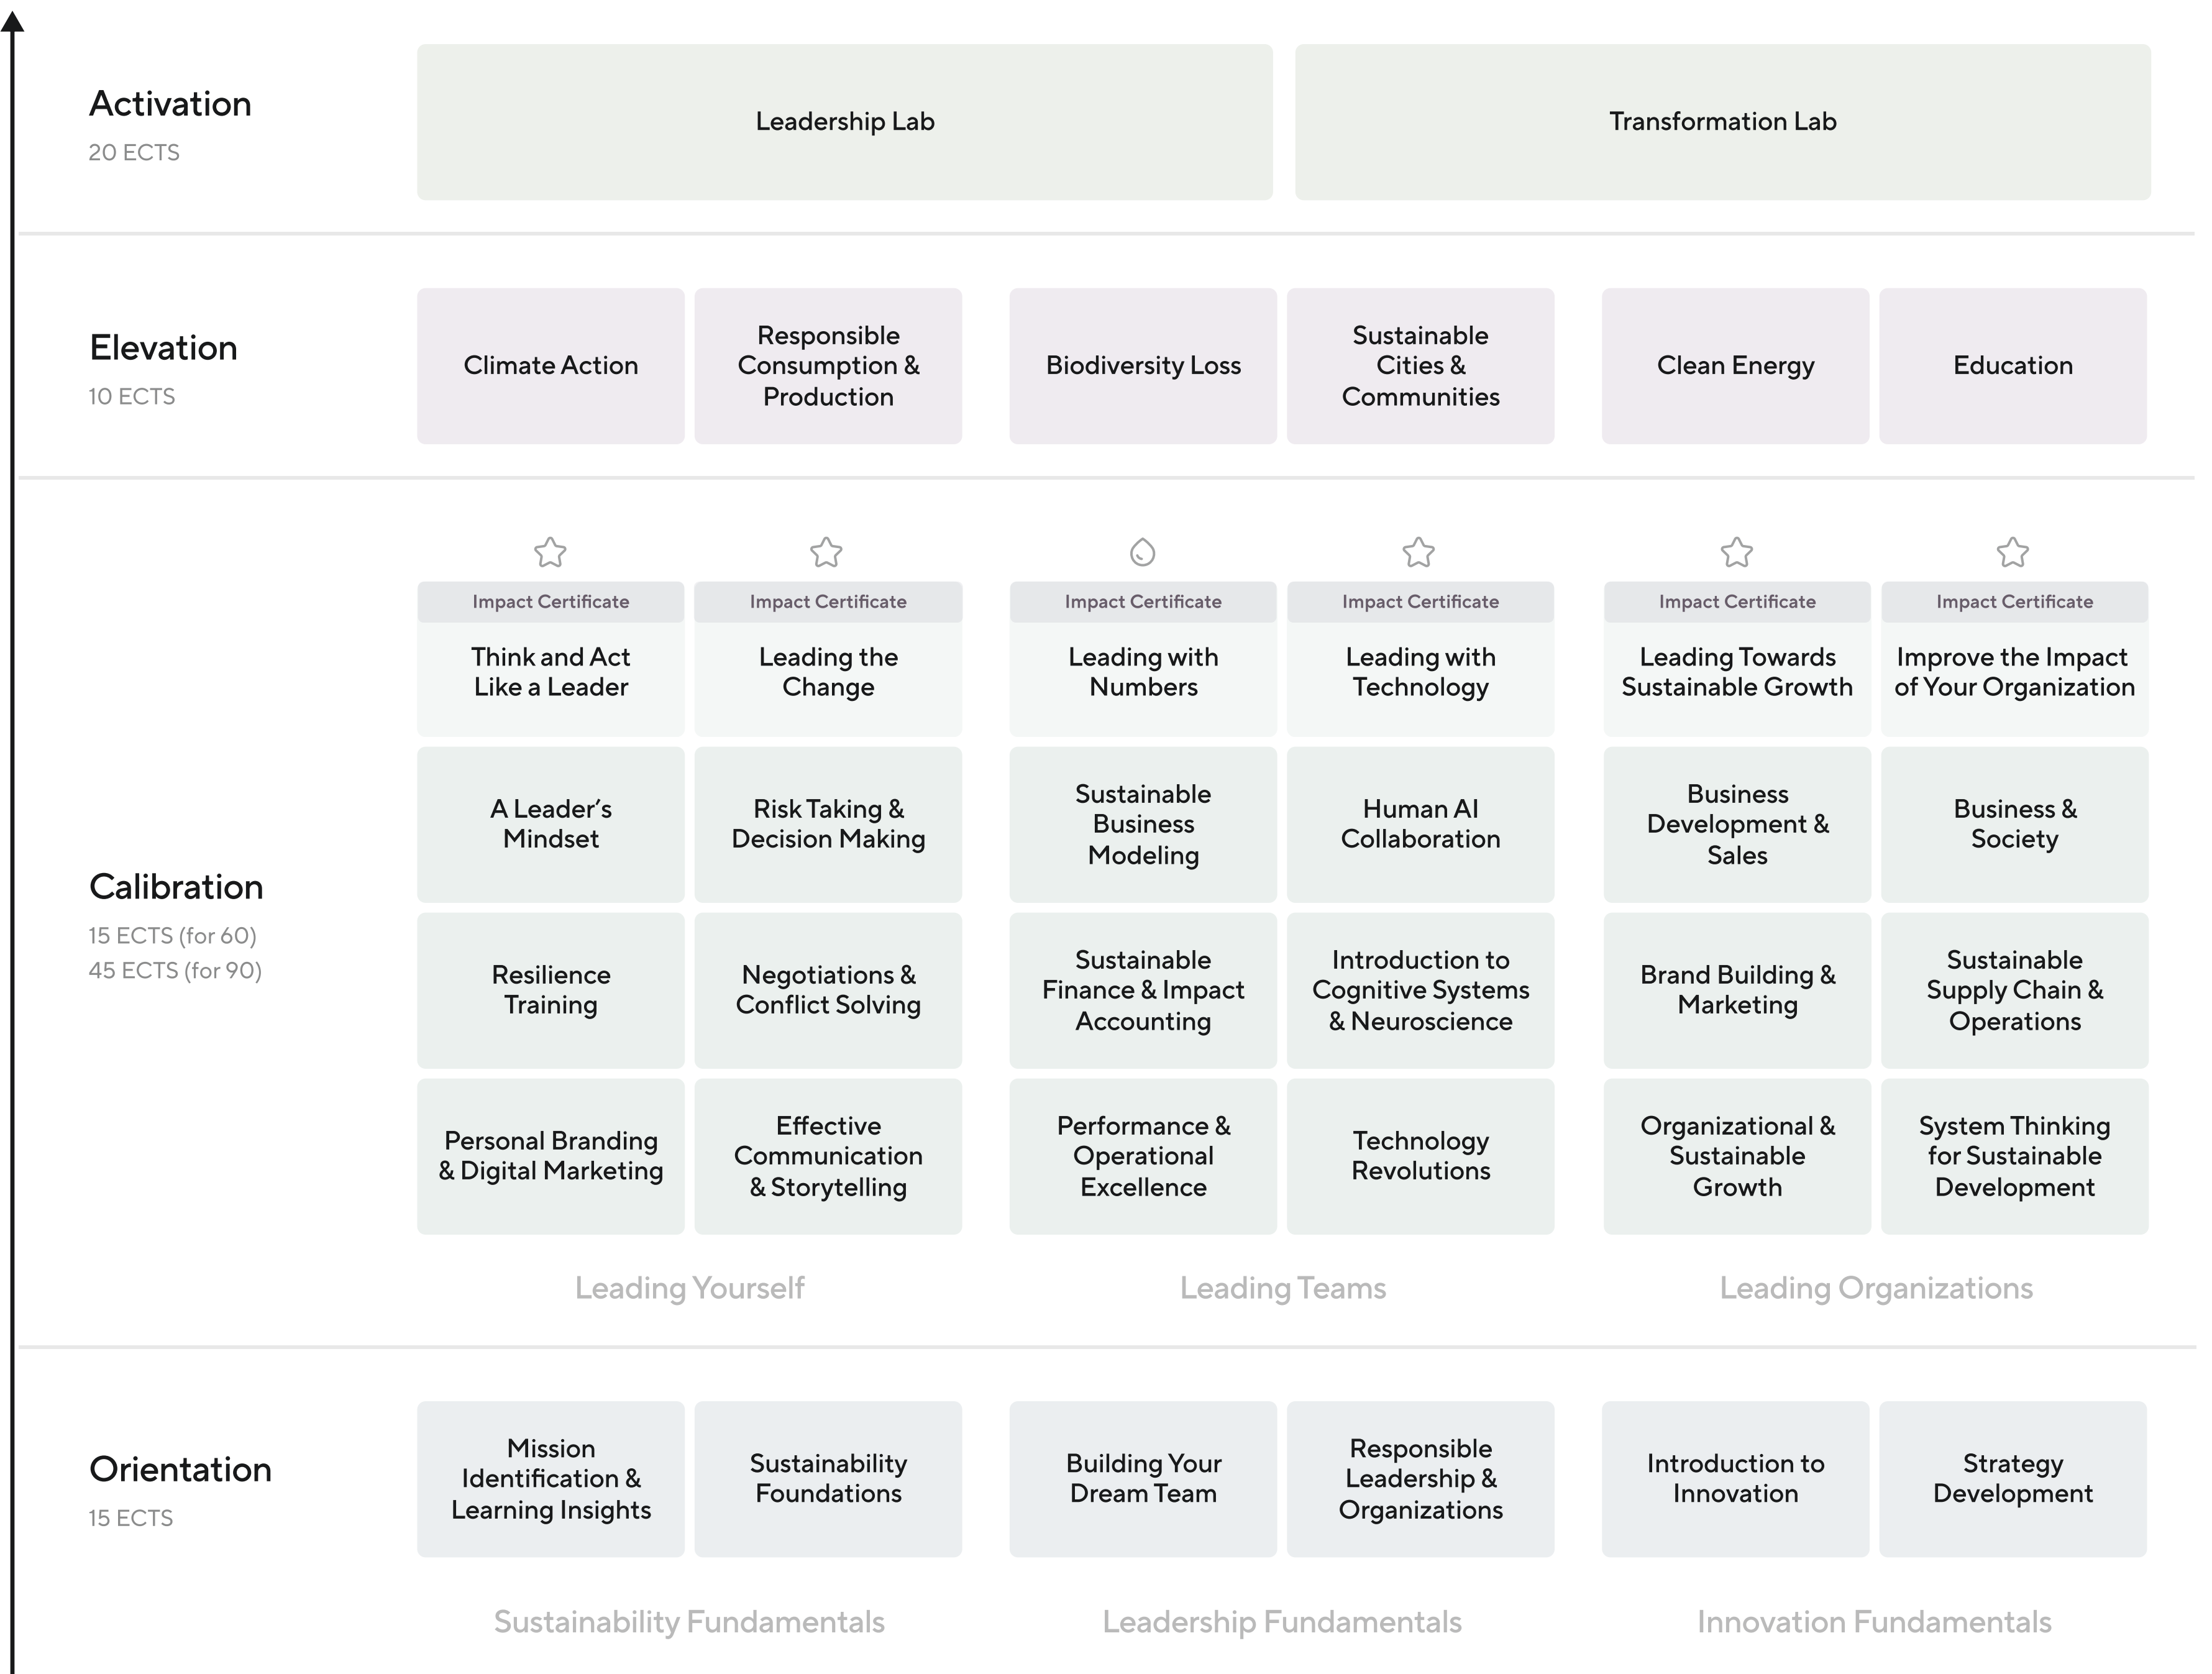

Curriculum Overview

The Impact MBA in Sustainability, Innovation, and Leadership

60 ECTS - 1 Impact Certificate

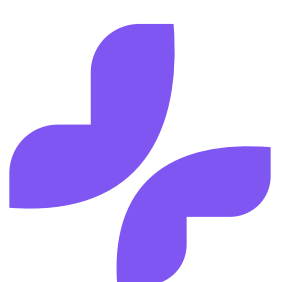

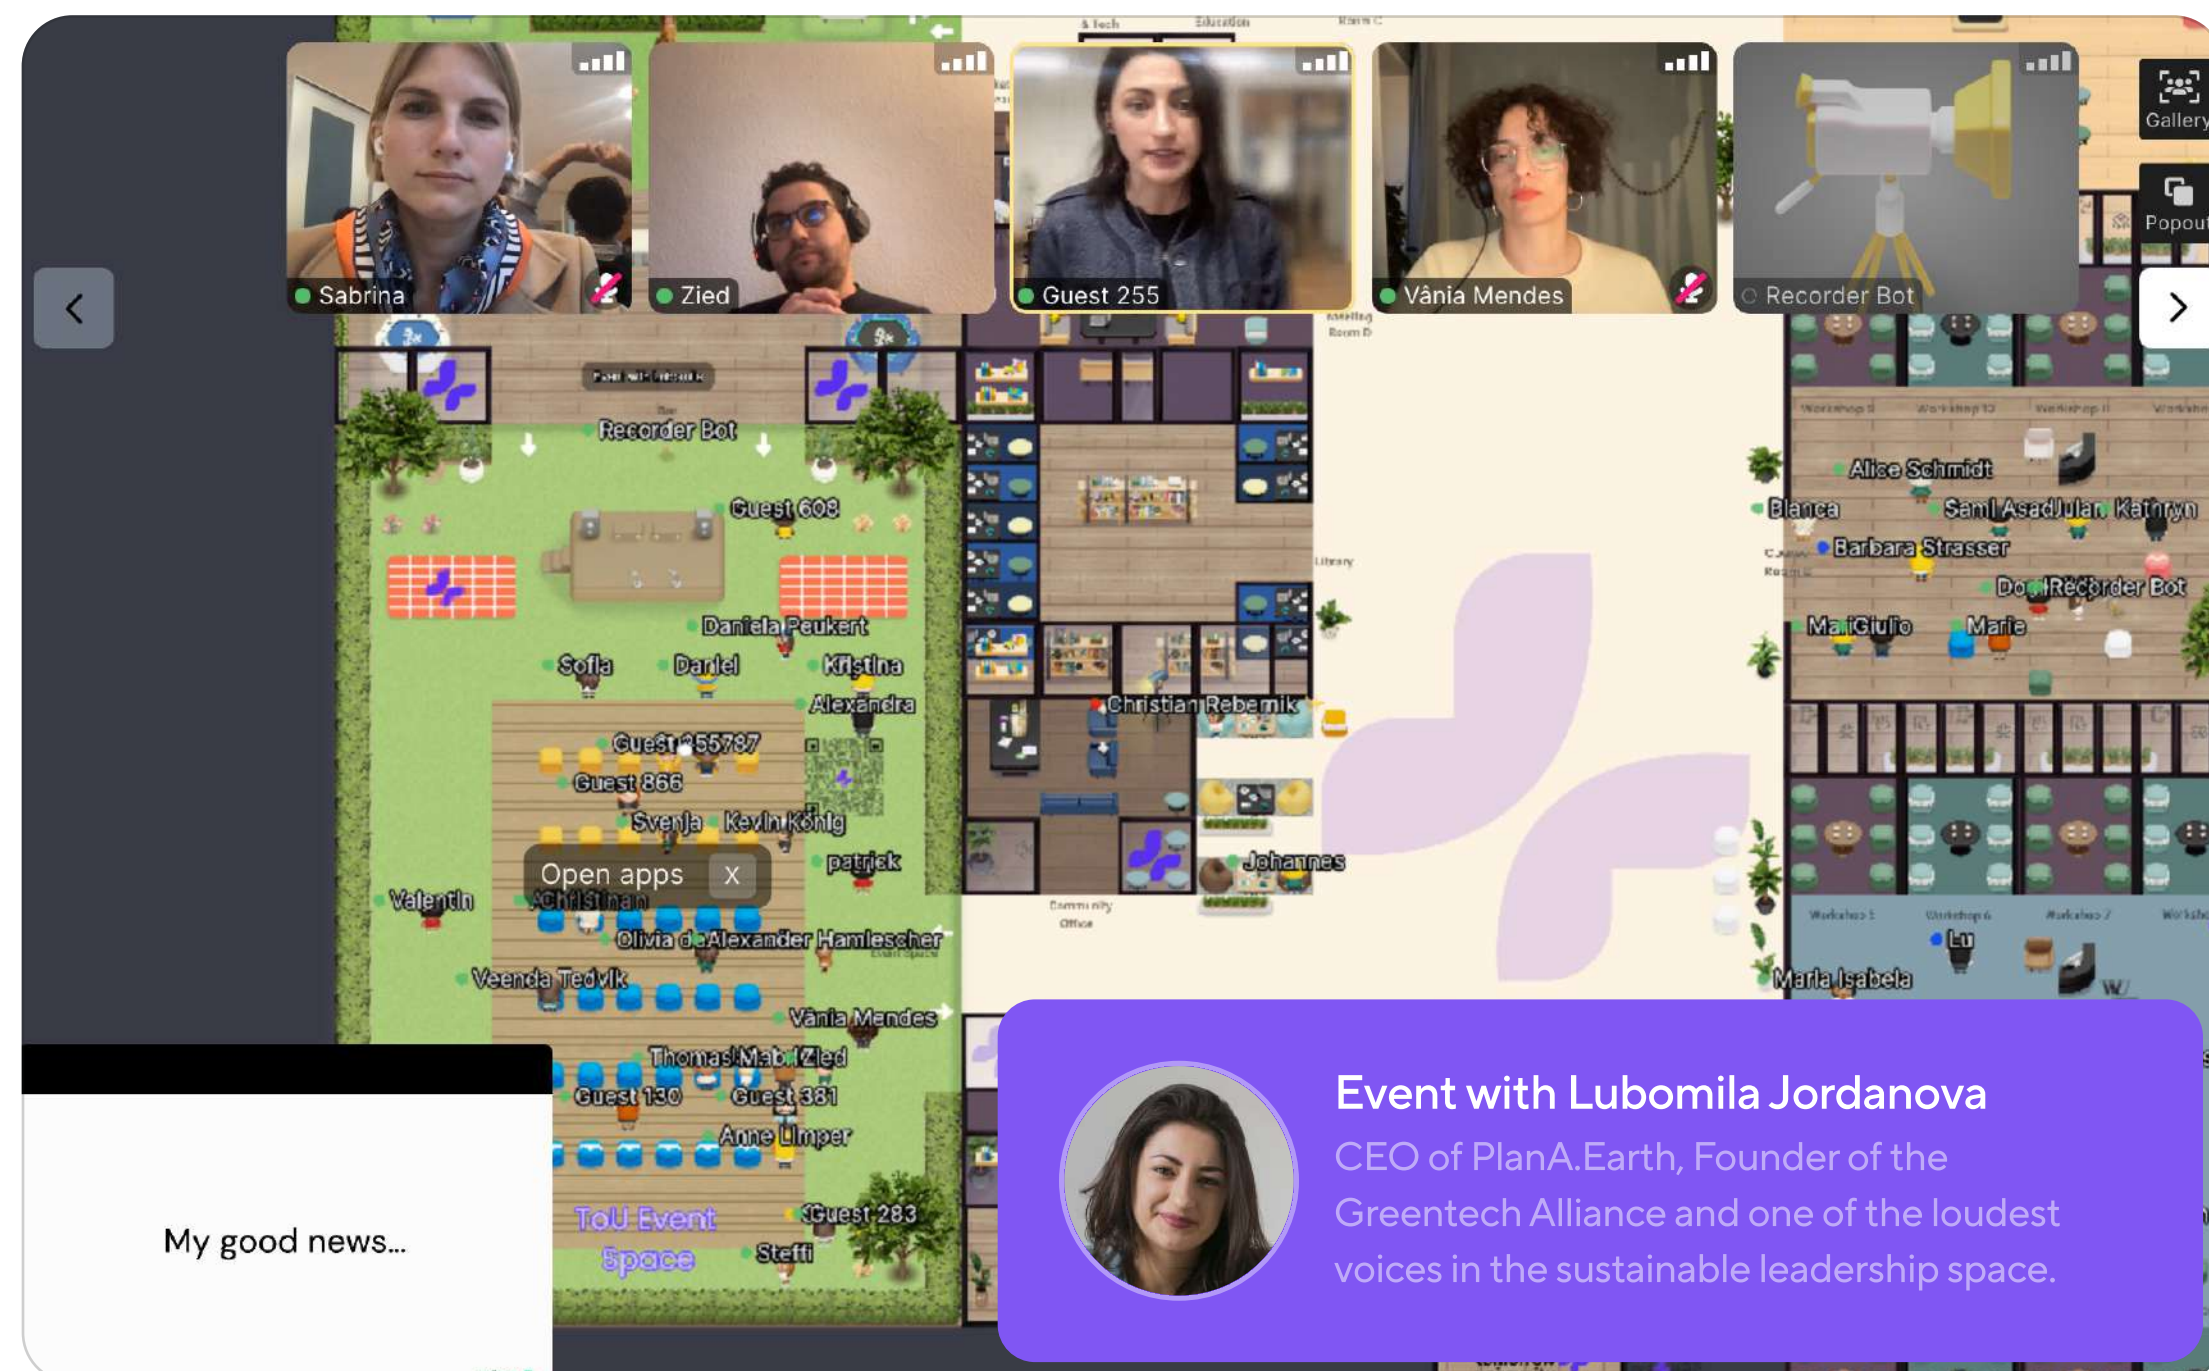

90 ECTS - 3 Impact Certificates (2 Electives)

🕒 Core/Mandatory ⭐ Elective

Metaverse Campus

Tomorrow University doesn't simply take offline learning online. The metaverse campus provides an unparalleled University experience where you can engage in a simulated campus environment. There are online meeting rooms, activities, and event spaces taking place on an ongoing basis. You can come and go as you please, connect, and network any time – there's always something happening in the Metaverse.

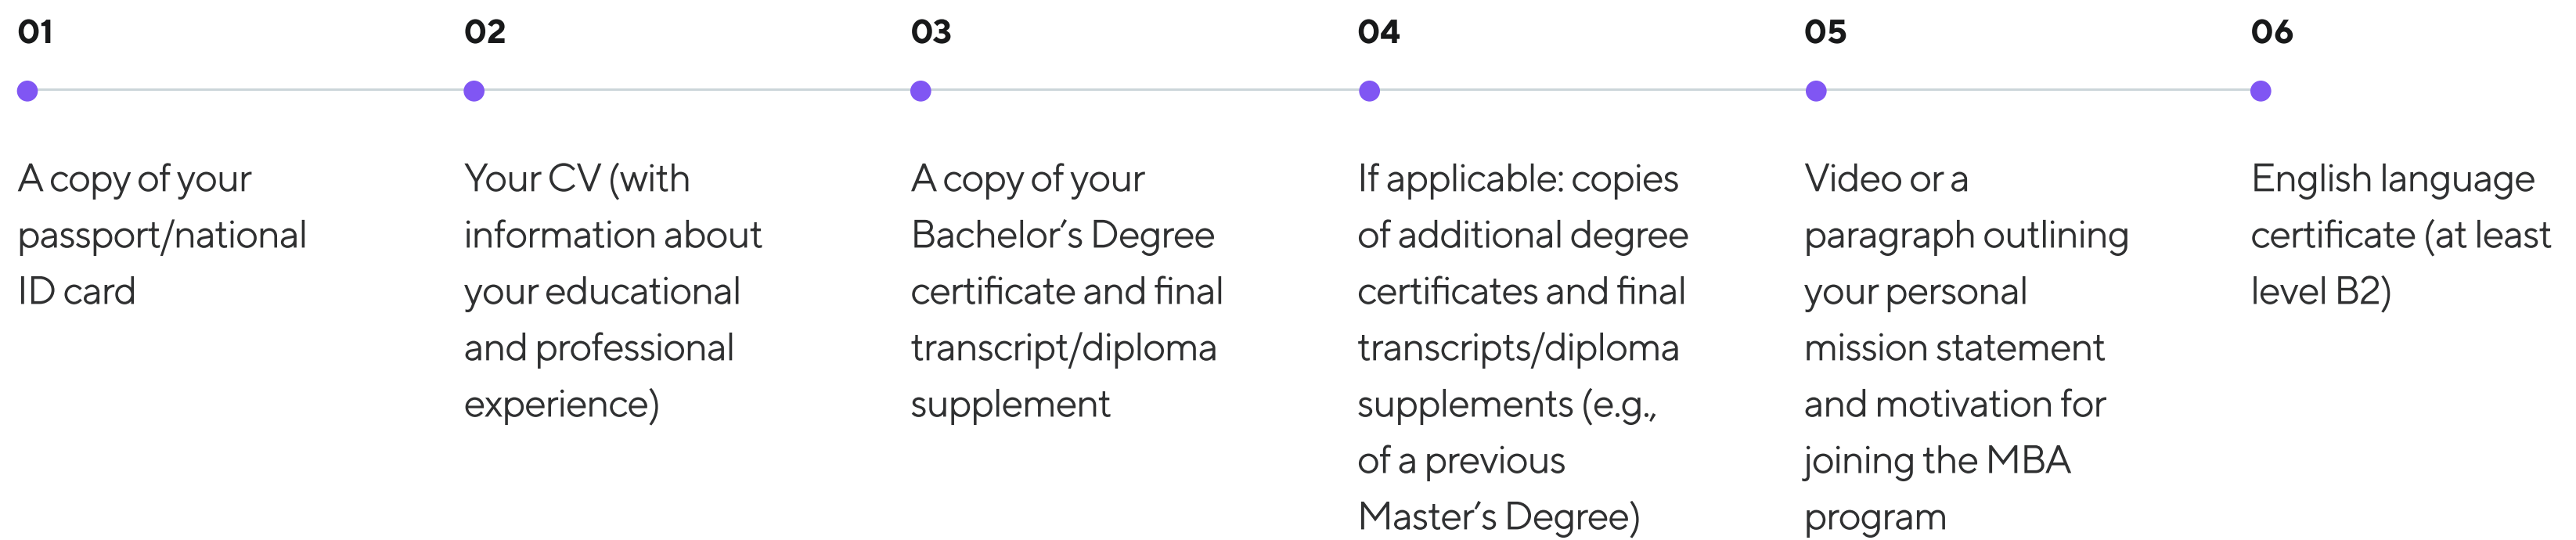

Admissions Requirements

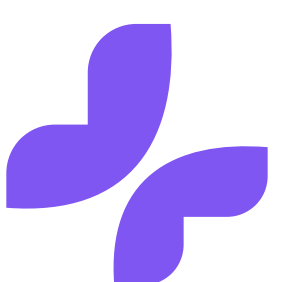

- ✓ Undergraduate degree with a standard period of study of at least six semesters with at least 180 ECTS credit points.
- ✓ At least two years of professional experience.
- ✓ Sufficient English language skills.
- ✓ Applicants without an undergraduate university degree who have completed vocational training and have several years of relevant professional experience may be admitted.

Admissions Process

In addition, admission to the MBA program requires a personal interview via an online call of 20 minutes. This interview is intended to provide in-depth insight into the applicant's motivation and suitability for the chosen course of study and intended profession or position. The interview also serves to check the English language skills of the applicant.

Scholarships for 90 ECTS

01

Growth Mindset Scholarship

The Growth Mindset Scholarship celebrates learners who possess a growth mindset, defined as those who believe that their most basic abilities can be developed through dedication and hard work. Professional experience will be taken into account as well as a demonstrated track record of using the growth mindset in personal and professional ventures.

€3.000 grant

Motivation letter: ~600 words about an experience that provided an opportunity for them to apply a growth mindset and what they learned from that experience.

Criteria: Experience using the growth mindset in professional spheres, motivation letter

02

Intrapreneurs for Tomorrow

The Intrapreneurs for Tomorrow Scholarship recognizes future learners who are already making an impact in an organization. These applicants have a track record in the areas of sustainability, innovation, and leadership but want to further their education to amplify their success.

€3.000 grant

Motivation letter: ~600 words explaining how they are already leading or transforming an organization from within.

Criteria: Merit-based, motivation letter

03

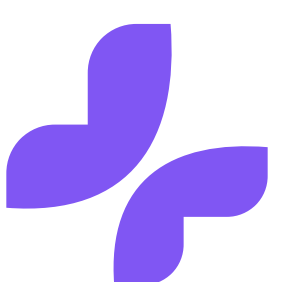

Global Diversity Scholarship

This scholarship supports ToUs goal to create a more inclusive, diverse, and equitable study environment. Eligible individuals include, but are not limited to, applicants of various social origins, ethnic origins or nationalities, ages, genders or gender-neutral identities, physical + mental abilities, religions, worldviews, sexual orientations, and rural communities.

€3.000 grant

Motivation letter: ~600 words on their perspective of diversity, equity, and inclusion in the context of either sustainability, entrepreneurship, or technology. Applicants must also disclose and certify their eligibility for this scholarship.

Criteria: Merit-based, motivation letter

Meet the Collective

Don't hesitate to reach out and connect with fellow learners at ToU who are already making a significant impact in the business world. Feel free to ask them about their experiences and how ToU has played a pivotal role in their journey. Their insights and stories can provide valuable inspiration and guidance for your own transformative path.
