ABOUT COMPOUNDER®

Compounder® is the very first centralised platform which facilitates the study orientation and application process for prospective students and universities in Germany.

With a student account on Compounder®, prospective students can search for study programmes and universities, evaluate their certificates, find out whether they are qualified to study in Germany, and directly apply via the platform – completely free of charge.

GETTING ADMISSION TO GERMAN UNIVERSITIES

Compounder® helps international students from all over the world to apply for their studies in Germany.

ORIENTATION

Prospective students can browse through study programmes & universities

ADMISSION CHECK

Eligibility for German higher education institutions can be checked on the applicant profile

ORGANISATIONAL HELP

Our partners help with organising all that students need to get enrolled – such as visa, blocked account, & insurance

REGISTRATION

Prospective students can create their proper applicant account

APPLICATION

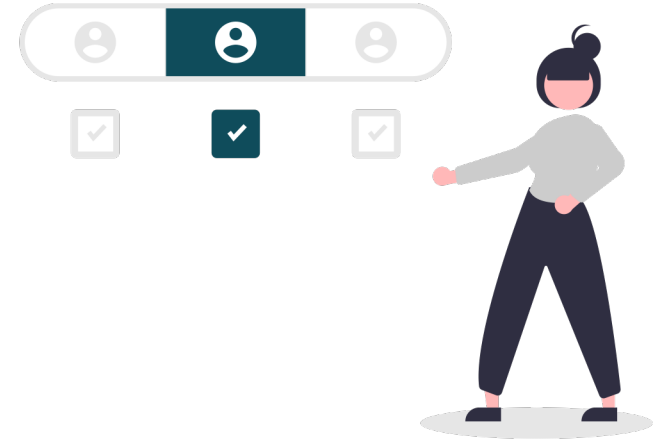

The application can be submitted with only a few clicks directly via Compounder®

OUR PRICING MODEL

Fair & transparent

For each student who files an application for and actually enrolls in a study programme at one of the partner universities on our platform, you receive a commission.
